

# Gingin DHS Connecting with our families

<https://www.facebook.com/Gingindh>

## Spacetalk

*Connecting with all families*

*For news, events, notices and general messages.*

Spacetalk is available in the Google Play Store® and Apple App Store® by searching for “Spacetalk Schools”.

Once the app is installed, please wait 1 hour before registering. You must register with the contact details the school has for you.

Click on Create Account. You will receive a txt message with a single use Security Code. Once confirmed, a ‘successfully verified’ screen will appear. Click on Finish.

Messages

The front screen (News page) of Spacetalk will appear. **Use messages** to communicate with the school. Remember to set your notifications for this app.

## Seesaw

*Connecting with Primary families*

*Seesaw is where your child’s learning lives. It’s where home-school communication lives. All in one place! Let’s get you connected.*

Download the Seesaw app or go to [app.seesaw.me](http://app.seesaw.me) on a computer. Click ‘I’m a Family Member’.

**Printed Invites:** Scan the QR code.  
**Text/Email Invites:** Click on the link. Follow the prints to create an account or sign in.

View and engage with posts from your child or class (all recent posts in Home tab).

Use messages to communicate with teachers.

## Connect

*Connecting with Secondary families*

*Connect is an integrated online environment developed for staff, students and parents in public schools.*

Ask the school for your **user name (P-number) and password**. Type [connect.det.wa.edu.au](http://connect.det.wa.edu.au) into your browser and type your **P-Number** and **Password** into the text boxes.

Click the **Parents/responsible Persons – Appropriate Use** link to access the specific Terms of Use for Connect.

Navigate by using the tabs across the top to access different parts of Connect. Return to the home page by clicking on the Connect logo.
